BA (Hons) Business Management with Foundation Year
2018/19

SOUTHAMPTON | BIRMINGHAM | LONDON | MANCHESTER

GET STARTED

Are you fascinated by the corporate world? Do you want to pursue a career in business leadership? Do just that.

The BA (Hons) Business Management with Foundation Year provides the academic skills and professional qualifications you'll need to become a business manager and pursue a career in a wide range of areas.

Study in student friendly city locations including Southampton, Birmingham, London and Manchester.*

TEACHING

The BA (Hons) Business Management provides engaging, contemporary and industry relevant units that are academically rigorous, stimulating and challenging, giving you the opportunity to build specialist transferable skills that facilitate your development as an independent learner, whilst gaining expertise in a range of business functions and topics.

The Foundation Year is ideal for students who are just beginning their journey into the world of Business Management. This programme is tailored to support the development of those students lacking the formal qualifications necessary for direct entry onto a degree programme or who wish to update or broaden their knowledge before progressing onto a full undergraduate degree.

FURTHER QUALIFICATIONS

Selected students are able to pursue additional qualifications during their studies. This course is accredited by the Chartered Management Institute (CMI), this means you will receive a CMI Level 5 professional qualification in Management and Leadership. Other qualifications include the PRINCE2 project management qualification as well as industry-approved qualifications from the CIM and CAM.

SOLENT UNIVERSITY PARTNERSHIP

The BA (Hons) Business Management with Foundation Year course is delivered as part of a partnership between Solent University and QA Higher Education. The programme is awarded by the University and delivered by QA Higher Education staff.

This programme is subject to validation.

*Subject to terms and conditions

OVERVIEW

The BA (Hons) Business Management aims to fuse academic business with theory with industry application, enhancing your employability and career prospects. You will explore specialist theory and knowledge in a systematic and critical way in order to develop your understanding of contemporary international business and enterprise sector issues.
